

Label Template

Item: Inspire 901-ES

1. Device Label:

Model: INSPIRE 901-ES

Part No.: UPS-INSPIRE901ES-3U

Input: 220Vac-240Vac, 50/60Hz, 4.7A, 1Φ

Output: 220Vac-240Vac, 50/60Hz, 1Φ

Capacity: 1000VA/900W

Serial No.:

552001YYWW00001

A Product of Singapore,
Assembly in Indonesia.

(CODE Type: code128)

Notes:

1. LABEL: 37-000031-XXG (40*70mm)*1PCS;
2. Others: The barcode is for reference only, generate the actual barcode when printing /

2. Barcode Label:

S/N : 552001YYWW00001

(CODE Type: code128)

Notes:

1. LABEL : 37-020015-XXG *4PCS, Pasting position: PCB / Control board / OVCD / Battery;
2. Others: The barcode is for reference only, generate the actual barcode when printing / production

3. Battery Warning Label:

CAUTION:

- The lead acid battery may cause chemical hazard
- The battery presents a risk of energy hazard.
- For disposal instructions for the battery, see user manual

Number and type of battery: 2EA

Nominal voltage of total battery string: 24V

Nominal capacity of total battery string: 9Ah

(CODE Type: code128)

Notes:

1. LABEL : 37-000031-XXG *1PCS, Pasting position: Device Internal;

Item: Inspire 901-ES

4. Attention Label – UPS Casing:

Attention

- Designed for indoor use only.
- Recommended ambient temperature for installation and operation: 25 deg C
- Recommended location for storage, installation and operation: well-ventilated and dry room

(CODE Type: code128)

Notes:

1. LABEL : 37-000031-XXG *1PCS, Pasting position: Device outer case;

5. Shipping Mark:

C/NO : 1 of 1
MODEL : **INSPIRE 901-ES**
P/N : UPS-INSPIRE901ES-3U
PIN : **SCHUKO 2-PIN**
QTY : 1 PC
N.W. : XXX KG
G.W. : XXX KG
Dimension : 360*230*325 MM
S/N TO : 
5520CCYYWW00001

A PRODUCT OF SINGAPORE,
ASSEMBLY IN INDONESIA.

(CODE Type: code128)

Notes:

1. LABEL: 37-020176-XXG(60*100mm)*1PCS, Pasting position: Carton;
2. Others: The barcode is for reference only, generate the actual barcode when printing / production

6. Model Number Label:

MODEL NO:
INSPIRE 901-ES

Notes:

1. LABEL: 2pcs 40*80mm, Pasting position: Carton

Label Template

Item: Inspire 901-ES

7. EAN Label:

Notes:

1. LABEL: 37-020095-XXG*1PCS, Pasting position: Carton

8. Attention Label – Carton:

Attention

- Charge the batteries every 4~6 months while in storage.
- Recommended ambient temperature for installation and operation: 25 deg C

(CODE Type: code128)

Notes:

1. LABEL: 37-020095-XXG*1PCS, Pasting position: Carton;

9. SN Format:

S/N: 552001YYWWXXXXX

5 : Product Group Code

520 : Product Code

CC : Color Code (01-Black)

YY : Year of Manufacturer (23、24...represent 2023、2024...)

WW : Week of Production

XXXXX : 5-Digits Running Numbers (00001-99999)
